DESCRIPTION

MIST is inspired by a beautiful region in the tranquil Tennessee countryside where picturesque, clear lakes reflect the high hills and abundant colors surrounding them. MIST masterfully mimics this rippled reflection, featuring an artisanal watercolor ceramic technique crafted into glossy wall tiles. The handmade aesthetic brings a sense of natural design while adding a splash of modern charisma – helping you reflect your style.

INSTALLATION & MAINTENANCE

MIST may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.

The manufacturer of this tile recommends a 3/16" grout joint for pressed tiles

TECHNICAL INFORMATION

TYPE: GLAZED CERAMIC
ORIGIN: BRAZIL
EDGE: PRESSED
THICKNESS: 7.4MM
LOOK: HANDMADE
SHADE VARIATION: V3 - MODERATE VARIATION
SURFACE ABRASION: N/A
TRAFFIC RATING: WALL ONLY

DCOF: N/A
BREAKING STRENGTH: ≥ 125 LBF
WATER ABSORPTION: $\leq 20\%$
STAIN RESISTANCE: YES, CLASS E
FROST RESISTANCE: N/A
ENVIRONMENT: EPD
