DESCRIPTION

MURANO blends the charm of glass and ceramic with a crackled crystalline surface. The color palette is bright and inspired by the colors of nature, which are perfectly paired with the unique shapes available. This collection is inspired by the architecture of Venice, which can be seen especially in the classic archway shape.

INSTALLATION & MAINTENANCE

MURANO may be installed using standard terracotta tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.

MURANO is hand made. Variations in shade, glaze, and dimensions may vary from shipment to shipment.
