DESCRIPTION

PLISSE is a premium glazed terracotta tile collection where modernity meets elegance. Inspired by the intricate pleats of haute couture fabrics, this collection transforms any wall with its 3D design, adding sophistication, dynamic texture, and a sense of lightness. Uniquely crafted for seamless installation without needing joints and plaster, PLISSE enhances spaces with its sharp aesthetic and terracotta craftsmanship, perfect for exalting interiors with a touch of high fashion. (PLISSE does need joint and plaster in wet areas).

INSTALLATION & MAINTENANCE

PLISSÉ may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation question.
