DESCRIPTION

POLAR redefines “clean white” with a wide offering of bright white tile, perfect for a clean and minimalistic design. POLAR is ideal for both classic and modern designs, created with simplicity at its core. This collection includes many sizes, ranging from mosaics to subway tiles and large format tiles, offered in matte and polished finish. This crisp white porcelain tile is great for interior design focused on a minimalistic aesthetic or clean aesthetic, such as a bright white kitchen floor or white tiled hallway.

INSTALLATION & MAINTENANCE

POLAR may be installed using standard porcelain tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
