## DESCRIPTION

Discover the elegance of RIVERVINE bricks, a perfect blend of traditional craftsmanship and modern minimalism. These 2x6 subway tiles are a testament to artisanal quality, featuring unique graphic and color shadings that create a depth reminiscent of handmade products. Each tile boasts irregular edges and dynamic surfaces, adding a touch of uniqueness to your space. The collection's matte finish elegantly contrasts vintage charm with a minimalist appeal.

## INSTALLATION & MAINTENANCE

RIVERVINE may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
