DESCRIPTION

ROCK PANELS are available in a selection of textures and four primary colors: the rustic, rugged appeal of Ochre Blend; the cool, subdued tones of Charcoal; the warm, mellow hues of Ivory Quartz; and the sleek, contemporary styling of White Quartz. Handmade from select pieces of cut natural quartz or sedimentary rock, each natural stacked stone veneer panel is 100% unique in color and design.

INSTALLATION & MAINTENANCE

ROCK PANELS may be installed using standard stone installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
