DESCRIPTION

Inspired by the sleek lines and raw beauty of contemporary urban architecture, STRAND concrete-look porcelain tile embodies modernity, sophistication, and practicality. With its handcrafted concrete look and feel, our collection captures the essence of the cosmopolitan urbanite. STRAND translates the dynamic energy of city life into a tangible, artistic medium. 4 colors of its signature pattern and an array of sizes make this collection as versatile as it is durable, being made from glazed porcelain.

INSTALLATION & MAINTENANCE

STRAND may be installed using standard porcelain tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
