L=Lappato, N=Natural finish, *Stocked Sizes

Italicized items are special order from Italy with extended lead times. Please consult an Architessa sales rep for sample & product availability.

Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination.

Please contact Architessa to determine the lead time to order samples and material.

DESCRIPTION

SURFACE is a collection with an urban inspiration. Influenced by art, this collection highlights the brush stroke effects of whitewash on a concrete surface. Tactile and unpredictable, the brushed-on paint creates new dimensions for SURFACE.

INSTALLATION & MAINTENANCE

SURFACE may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
