## DESCRIPTION

TESUQUE is a nod to Italian terracotta reimagined for the modern space. This porcelain stoneware collection marries the homely warmth and charm of terracotta with robust technical features. Offering a broad palette from earthy, warm tones to vibrant, contemporary colors, TESUQUE provides endless design possibilities. Perfect for those looking to blend tradition with modern durability, its versatile shades and finishes inspire creativity in any setting, embodying both the aesthetic and practical demands of contemporary design.

## INSTALLATION & MAINTENANCE

TESUQUE may be installed using standard ceramic and porcelain tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
