DESCRIPTION

VERVE marble mosaics bring sophisticated flair to natural stone mosaics with its unique duotone designs, combining the timeless intricacy of diamond/rozatta and chevron patterns. Each mosaic is a carefully crafted blend of two marbles, largely featuring Thassos among its exquisite selections. This collection not only showcases the inherent beauty of natural stone but also offers a modern twist on classic mosaic art. VERVE is perfect for creating striking visual statements in any space, providing an elegant contrast and a touch of luxury with its refined compositions.

INSTALLATION & MAINTENANCE

VERVE may be installed using standard stone tile installation methods and materials, as recommended by the Tile Council of North America (TCNA), An Architessa sales representative will advise you on general installation question.
