Glow For It with Badtz-Maru!

Step 1. Print out this stencil and tape or pin it onto a hollowed out pumpkin.
Step 2. Use a pumpkin poking tool or a nail to poke small, shallow holes through the paper, following the lines of the stencil until all lines have been traced.
Step 3. Remove paper and insert your carving saw into a poked line. Saw out each section.
Step 4. Once all sections have been carved, add a candle or battery operated light inside and watch Badtz-Maru rule the night!
