

Posturepedic® PLUS

ALESSIO

1200 SERIES EUROTOP
FIRM/MEDIUM • 14" PROFILE HEIGHT

A CLEANPROTECT™ COVER
Antibacterial treated fabric to help maintain freshness and reduce bacterial-associated staining.

B SEALY AIRSENSE™ FIBRES TOPPED WITH SEALYICE™ YARN
Cooling, soft and silky fibres quilted to enhanced support foams conform and micro adjust to your body's climate and comfort needs.

C CERTIPUR-US™ SEALYCOMFORT™ GEL HD FOAM
Carefully layered gel foams conform and cushion for your most comfortable night's sleep.

D POSTURE GRID® COIL SYSTEM FEATURING POSTURESENSE™ NANO COILS
Individually wrapped pocket coils designed to reduce motion and reinforce the centre third of your body for added PROBACK® support beneath the quilt. PostureSense™ nano coil Technology sits in the centre of the PostureGrid® System to support you where you need it most.

E SOLIDEDGE™ PRO
A high-density, flexible coil border surrounding the mattress provides flexible edge support, more space to sleep and added durability.

F PROBACK® PLUS QUILT WITH TARGETED GELSENSE™ HD MEMORY FOAM
Superior conformance gel memory foam designed to sense and respond to your body's unique shape for improved flexibility and Posturepedic® support.

MADE IN CANADA WITH DOMESTIC & IMPORTED PARTS
Proudly made in one of our three manufacturing facilities.
