Dear Valued Customer,

In keeping with the *Ptak Family* tradition, we are pleased to present our new wedding band catalog.

Over the last 60 years, The *Ptak Family* has built a solid reputation providing finely crafted, highly styled and competitively priced** jewelry to our customers. This book is no exception.

Separating the wedding bands from the rest of our collection allows us to present you with a wider assortment of styles. We offer handmade, machined, cast, and seamless wedding bands. Some are set precisely by machine others are handset. Nearly all styles are available in a variety of widths, colors, and gold karats or platinum. Most rings come in sizes 4 through 13 other sizes available on request.

This wedding band catalog makes for a concise and focused retail presentation. The book is easy to handle and both graphically and visually pleasing.

As always our knowledgeable and friendly customer service representatives are ready to assist you.

Remember, there is only one Ptak Brothers Jewelry and we look forward to a mutually rewarding relationship.

** Unlike most catalogs on the market, this book is priced at a realistic gold and platinum market. This fact is often overlooked when looking for the best value available.
