GOLD & PLATINUM JEWELRY MANUFACTURERS

A 60 Year Tradition

Table of Contents

Dear Valued Customer,

Keeping with the *Ptak Family* tradition, we are pleased to present our latest jewelry catalog.

Over the last 60 years, the *Ptak Family* has built a solid reputation providing finely crafted, and competitively priced** jewelry. This book is no exception.

While our last catalog, book 25, featured our extensive wedding band collection, book 26 is focused on presenting our best cast and machined jewelry. Most styles are available in a variety of sizes, colors, metals, and stone sizes. Ptak Brothers Jewelry offers 14 and 18 Karat Gold, Platinum, and Palladium.

This catalog makes for a concise and focused retail presentation. The book is easy to handle and visually pleasing. As always our knowledgeable and friendly customer service representatives are available to assist you. Remember, there is only one Ptak Brothers Jewelry and we look forward to a mutually rewarding relationship.

Unlike most catalogs on the market, this book is priced for a realistic gold and platinum market. This fact is often overlooked when looking for the best value available.
