CUSTOM COBRA

Hand-Tied Over Braided BowSling

Premium Custom Cobra BowSlings feature our super stiff, 3-strand machine braided paracord strap as a base plus 10ft of hand-tied paracord tied over the top. This paracord can be untied if needed in the field and base strap bow sling remains intact. Paradox slings stand up making it effortless to place your hand on the bow with proper grip for increased accuracy and keep your bow secure when shooting.
