

## Christmas at Fee's

Our Padstow free range bronze turkey has a wonderful flavour, a little richer than a traditional style. The Banbury family at Trengleath Barton near Padstow, have been rearing turkeys for 50 years. They are dry plucked, hand finished and hung for a minimum of seven days to ensure it is at its most delicious. Using the guide below should allow for leftovers!

## **Wine**

2020 Bernard Baudry Chinon, Loire, France - *Cabernet Franc* - Magnum (1.5Ltr) £49.00

The Bernard Baudry estate is one of the most recognised foils of the Chinon appellation. Organic vineyard management since 2006, manual harvesting, with little intervention in the winery. This wine seduces with its complex aromatic palette. On the nose, captivating aromas of red fruits, cherry, blackcurrant and spicy notes are elegantly revealed. On the palate, its silky texture reveals harmonious flavors of ripe fruit, liquorice, black pepper and subtle vegetal notes. The fine tannins and the beautiful freshness bring balance and length to this exceptional wine.

This wine is a perfect accompaniment to roasted chicken or turkey, mature cheeses and mushroom dishes. A perfect drop for Christmas.
