

BXFU-00400
BLOX Racing Fuel Management Unit

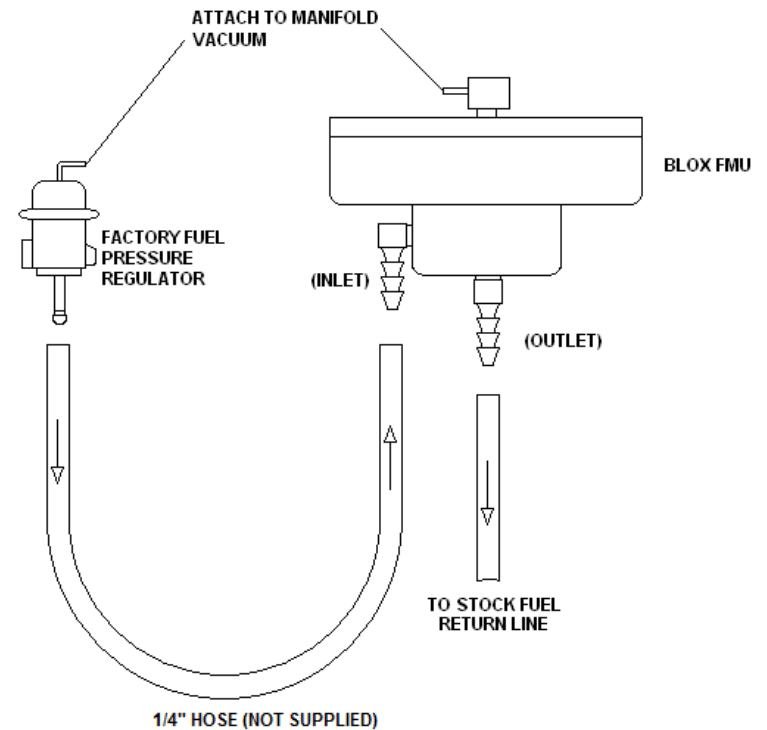

WARNING

Working with fuel is dangerous. If at any time you are unsure of correct procedures, STOP and have a qualified automotive technician perform the installation.

1. Disconnect the battery and release the pressure in the fuel system. Using a Phillips screwdriver take off the mounting bracket and use as a template to mark and drill 2-holes in the firewall to mount the BLOX FMU.
2. Attach 1/4" hose (not supplied) to the 90° barbed brass fitting (inlet side) of the BLOX FMU and secure with the supplied clamp.
3. Disconnect the factory fuel regulator line from the bottom of the fuel regulator and connect it to the straight barbed brass fitting (outlet side) securing it with the original clamp.
4. Attach the free end of the 1/4" hose (inlet side) to the bottom of the factory regulator and secure it with the supplied clamp.
5. Attach 5/32" vacuum line and Tee (not supplied) to the 90° fitting on the top of the BLOX FMU and attach it to the vacuum line of the factory fuel pressure regulator.
6. Make sure all connections are secure and reattach battery and re-pressurize fuel system.
7. Start car and check for leaks

PRODUCT DISCLAIMER: Any vehicle that is modified with **BLOX** performance parts may not meet the legal vehicle code standard for operation on any public street or highway in any particular state. In addition, vehicles may not pass emission requirements and may not be legal to operate in any particular state. It is the purchaser's responsibility to check and comply with all local, state and federal laws before installing components and operating vehicle. The installation and the use of any **BLOX** performance product may also affect or void a vehicle's manufacturer warranty and insurance policy. **BLOX** assumes no responsibility for any damage or injury to persons or property resulting in improper installations or misuse of any product and will not be responsible for any claims of loss of profit, labor and delay, indirect, incidental or consequential damages that might be claimed as a result of failure of any part. **BLOX** reserves the right, without notice, to make changes in materials, specifications, product design, part numbers, packaging and labeling without incurring any obligation to the buyer for the previously purchased merchandise.
