PRODUCT DATA SHEET

Product	Yacht Varnish
Type	Tung oil based wood finish available in gloss and satin finish.
Intended Use	Suitable for all types of exterior hard and soft woodwork such as doors, window frames, cladding as well as marine woodwork.
Special Features	Good resistance to rain, sunlight, frost, salt and chemically polluted atmospheres. A high degree of flexibility, giving enhanced protection to cracking, checking and loss of adhesion. Conforms to Safety of Toys Regulations BS EN 71 Part 3 1995.
Preparation	Surfaces to be varnished must be dry, clean, smooth and free from dust, oil, grease and other contaminants. Cracks can be filled with Rustins Wood Filler . If the wood is open grained Rustins Grain filler may be used before varnishing.
Application	Apply by brush. The first coat on new wood should be thinned with 25% White Spirit and applied with a good quality brush.
Coats	Three coats are recommended but porous end-grain or wood that is badly weathered may need further applications. 12 hours depending on temperature and humidity
Drying Time	12 hours depending on temperature and humidity
Re-coating Time	Ideally 15-25°C. Do not use below 10°C or in conditions of high humidity
Application Temp.	13 sq. metres per litre per coat
Coverage	When re-coating is necessary, clean down the surface with a mild detergent and water and
Maintenance	lightly sand before coating. May be applied over old existing coating if these are in good condition and rubbed down to provide a key. Coatings not in good condition should be removed with Rustins Strypit
Compatibility	Paint and Varnish Stripper . If applying over wood preservatives test on a small area to ensure the varnish dries and adheres well. Cannot be applied over Creosote. STIR WELL BEFORE USE. Many years if stored in cool dry conditions with the lid tightly closed. Flammable. Keep out of
Settlement	reach of children. Avoid contact with skin and eyes. No Smoking.
Shelf-life/Storage	A full Health & Safety Data Sheet is available upon request or on www.rustins.co.uk
Hazards	Use White Spirit or Rustins Brush Cleaner whilst still wet. If dried on, clean equipment and brushes with Rustins Brush Restorer .
