VINTAGE-INSPIRED DIAMOND JEWELLERY

BEHIND THE BRAND

Kirstie Le Marque was founded in London in 2017 by friends Kirstie & Claire, whose shared brand vision is to "create beautiful, accessible diamond jewellery, with a cool vintage-inspired edge, that can be worn every day, yet treasured forever".

From the very start, incredible humans have been fans of the jewellery, with pieces being worn by Gwyneth Paltrow, Jodie Comer, Dua Lipa, Harris Reed, Brooke Shields, Claudia Winkleman, Laura Jackson, Jessie Ware, Yasmin Evans to name a few...

MIXED METAL EDGE

Our aim is to create beautiful diamond jewellery, with a mixed metal edge at an affordable price. We offer a mixture of items available in solid 9ct gold, gold-plate and silver so that our customer can find the exact aesthetic and price point that works for them.

We believe that jewellery should be timeless and we want our pieces to work for you in years to come and still look fabulous. We have created the Sparkle Service where we offer a repair and gold-plating 'MOT' so that your jewellery will always look as good as new.

ETHICS & SUSTAINABILITY

In order to ensure our diamonds are conflict-free, we only use suppliers that are within the Kimberley Process Certification Scheme, which regulates trade in rough diamonds to prevent conflict diamonds from entering the legitimate jewellery supply chains. We have had a long-standing working relationship with our main supplier in Jaipur since we started our business in 2017 and have known the owner of our second factory for a similar period of time.

Almost all of our packaging is FSC-certified, which means that our packaging has a past, a present and a future. The jewellery boxes are kind to the environment too, as they are made from mono-material products which means they are both reusable and recyclable.
