

Beveled Placemat

Yardage Requirements

(4 mats)

1 yard for fronts

1 yard for backs

1 yard batting

(or four 13 1/2" x

17 1/2" pieces)

1. Cut all fabric to 13 1/2" x 17 1/2" pieces.
2. Cut batting to 13 1/2" x 17 1/2" pieces.
3. Place batting on flat surface.
4. Taking care to align edges, place backing fabric on top of batting, face up.
5. Still aligning all edges, place front fabric on top of batting and backing, face down.

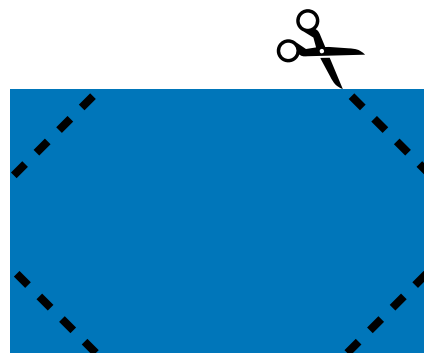

Placemat Sandwich Order

Front Fabric - face down

Back Fabric - face up

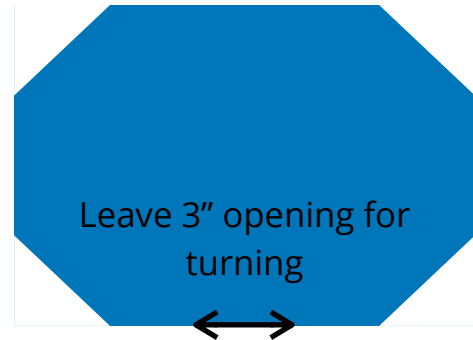

Batting

6. If you wish to have beveled corners on your place mat, measure 2 1/2" from each corner and mark. Use a ruler and rotary cutter to cut from mark to mark. Repeat all four corners.

Prefer to use a tool?
Carol's Box Corners
Marking Template
offers a great shortcut!

7. Use $\frac{1}{4}$ " seam allowance to stitch almost all the way around the edge of your placemat sandwich. Leave an opening of 3".

8. Turn your placemat inside out. (Using a tool like the Clover Point 2 Point Turner will make this step much easier!)

9. Finger press around the perimeter of the place mat. Top stitch around the edge using a coordinating thread.

10. Quilt the place mat by stitching through all the layers. You can do a simple 'X', or get creative with your lines.

11. Time to set the table for some delicious eats!
