DEAR FRIEND,

You have been gifted the gift that keeps giving all year long!

Welcome to **THE FLOWER LETTERS**: a snail mail subscription that allows you to experience a thrilling story of History, Mystery, Adventure, and Romance in a way you never have before!

Over the course of the next year, you will begin receiving a story told through letters--24 stamped, sealed letters delivered to your mailbox! That's right, the "old fashioned" way.

Each of our letter collections features a cast of characters experiencing a significant event in history. You will get to experience their story through their letters mailed to you twice a month for an entire year!

The Adelaide Magnolia Collection is set in Jane Austen's England. The year is 1817 and the Prince Regent is ruling in Mad King George's stead. Miss Adelaide Magnolia Arden was once the sensational "toast en ton" but has since walked away from high society for reasons unknown. After his heroic campaign at Waterloo, Captain Liam Mattice has spent the last two London seasons searching for "the most enchanting lady of his acquaintance," but to no avail. When an unexpected opportunity arrives to visit the home of the lady he's been searching for, Liam is determined to make the most of it. But will the lady be able to leave the past behind and reciprocate?
