

104083-FM2000 Hatch Leather Glove Spectra

The FM2000 high quality leather glove features a 100% Honeywell Spectra liner that protects against sharp objects. Constructed of premium leather, they have short elasticized cuffs for a snug fit.

Sizes: XS-2XL

104105- Hatch Resister Cut-Resistant Gloves

The RFK300 Resister glove is made of goatskin leather with a cut-resistant knit lining. It is a favorite for its simple design, quality and moderate cut resistance features. The premium leather material features a water- and fade-resistant treatment for long-lasting wear. The Hatch Ergo-Cut floating thumb design offers greater freedom of movement over traditional designs. Wrist-length cuff features encased elastic for a better fit during cold weather.

Sizes:XS-3XL

104104 HWI PUNCTURE & CUT RESISTANT DUTY GLOVE

The PCG100 is the most comfortable puncture resistant glove available. The PCG100 has a high level of puncture resistance in the fingertips and a full Dyneema liner for superior cut protection. It is constructed with aniline goatskin in the palm and moisture-wicking, breathable spandex back. Its special “contour cut” offers the ultimate dexterity and comfort.

Size:XS-2XL

110109-STREET GUARD FIRE RESISTANT GLOVE WITH KEVLAR

The SGK100 design offers excellent protection from cuts and sharp objects. The liner on the inside of the hand and fingers are made with fiber. The synthetic leather palm and Extreme-Grip nonslip patches in the cradle area provide a sure grip and positive weapon control. The neoprene and nylon spandex back allow air circulation for comfort and provides a snug fit. Hook and loop closure.

Sizes:XS-2XL
