

# KNIT--MATIC

## Easy Garter Scarfy-Wrap

### Size

14.5"/37cm deep, 76"/190cm long

### Materials

- approx 400m of DK weight yarn (or approximately 80m in each of 5 colours)
- 4mm/US6 – 36" circular needles
- 8mm/US11 needles (for bind off)
- darning needle (preferably pointy & small)

### Gauge

20 sts = 4"/10cm

### Resources

### Notes

This scarfy wrap is a simple, easy knit, ideal for beginners. Skills include casting on, knitting, increasing, casting off, and weaving in ends.

### Directions

Cast on 100 stitches

**Row 1:** Knit

**All Successive Rows:** Knit 1 stitch, knit into the front and then the back of the next stitch, knit to end of row.

Change colours when you run out of yarn:

- Always change colours on the same side: tie a LOOSE knot and leave 6" of each strand of yarn.
- Do not join in the centre (if it can be helped). Always attach a new strand of yarn at the start of a new row.
- To estimate how much yarn you'll need to get through another TWO rows, you will require just over 6 times the length of the last row you knit.

When you run out of your last colour, bind off with 8mm/US11 needle (or VERY looesely).

Weave in ends: there is a good tutorial on weaving in ends in garter stitch at [www.purlsoho.com/create/weaving-in-your-ends/](http://www.purlsoho.com/create/weaving-in-your-ends/). Untie the loose knot holding the yarn tails in place before you weave them in.

Hand wash in Eucalan or Soak and lay flat to dry.
