

DUMPLING DAUGHTER

NADIA LIU SPELLMAN
Founder

OUR STORY

Dumpling Daughter was born two generations before me. My parents owned Boston's most renowned 5-star Chinese restaurant, Sally Ling's! Despite all the fancy food I enjoyed, my favorite food was mom's home cooking. I always looked forward to an after-school snack of steamed buns or a giant plate of dumplings. Dumplings became the essential comfort food of my childhood.

I have since founded Dumpling Daughter which serves many of our most authentic time-tested dishes and my favorites. Today, my mission is making people happy - one dumpling at a time. Dumplings comfort us and, at the same time, are fun and light!

Indulge in our food today and enjoy recipes that have brought happiness for generations!
