February 15, 2024

Hello,

Time to start thinking about quilt show. I hope you can work for us this year during quilt show week. We will start making the schedules the beginning of April, so please think about your summer plans. We will Email your schedule in May. If you need to make any changes in your availability, please call or e-mail me before May 1st. We really appreciate all who helped us last year. If you know of someone that would like to help us during quilt show this year, please have him or her contact me so I can send out a letter and form.

We will have the orientation and training meeting with all quilt show helpers who work in the store on Tuesday, June 25 at 5 p.m. at The Stitchin' Post. When you come, please use the entrance at the back of the store. This meeting is very important to review policies and get familiar with the store layout and to learn the cutting table system that we have in place. Please plan on attending the meeting.

For working this year, you will receive a 15% discount valid from July 7 – July 14. Also, if you work on Friday or Saturday, you will receive a 2024 Quilt Show T-shirt, to wear on Friday and or Saturday. You will receive your T-shirt at the orientation meeting. As usual, Friday July 12 and Saturday July 13 are the hardest days to schedule because there is so much happening, so if you will be available those days even for a couple hours it will help.

Please complete the enclosed form and return to us by March 31. You may Fax it to 541.549.1922, e-mail to annette@stitchinpost.com or mail it. We would like to have the schedules completed by May 1st. Thank you for your support. We could not do this without you.

Thank you again, Annette Caldwell
