Inspired by the Three Sisters mountains in Oregon, this modern quilt pattern uses half-rectangle triangles to recreate the view of a mountain range. This class is suitable for a confident beginner to an intermediate quilter, and in this class we will provide extra attention to creating and trimming large half-rectangle triangles. We will construct the throw top of the pattern, though if desired you can choose to make the baby size instead.

Requires pattern purchase of The Sisters Quilt pattern available at The Stitchin' Post
