Tulipa is a floral meets mid-century-modern design that gives you a great opportunity to level up your curve skills. In this pattern you'll create both quarter circle and semi-circle curves and match the semi-circle seams to form a full circle. This is a great project whether you're new to sewing curves or looking to improve your precision! We will construct the throw top of the pattern, though if desired you can choose to make the baby size instead.

Lab fee required -- \$20 for the Modern Heirloom Quilting Book  
Amber will bring the books and will collect \$20 cash in class.
