Description: Discover the ease, freedom, and simplicity of the Middle Way quilt, making a unique throw size quilt top of your own. Choose from a two-tone or multi-color variation and a “simple” or “decorated” style. This modern, minimalist design symbolizes that we don’t have to completely deny or indulge ourselves, nor should we subscribe to an extreme life outlook; there is liberation in the middle—and we each create and discover our own balance, represented by the many options you’ll find to improvise and customize your quilt. Brooke will guide you through each step of constructing this quick & fun block, sharing all of the different ways you can make it truly one of a kind.
