Rejoice has been designed as an 8 month Block of the Month pattern that includes using several techniques. Paper piecing in small amounts, templates and rotary cutting. We are going to make a variety of blocks in this sampler quilt and go through the fresh colors and setting to bring it to life. This is a class for confident beginners. There are a variety of techniques, but the simple form of each type will be demonstrated. Finished size of the quilt is 96" x 96".  
Pattern purchase before class is required.

**Supply List:**

The pattern

Sewing machine and regular sewing supplies (scissors, seam ripper, threads, rotary cutter, rotary mat, rulers, etc.).

Add a quarter ruler for paper piecing.
