Join Giuseppe Ribaudò of Giucy Giuce for Re, currently only available as a workshop. Re is a modular foundation paper pieced pattern in which the sewist decides what size blades (from 3 choices) they would like to use and also the frequency in which the blades appear, meaning you can choose to eliminate some blades entirely. Make the blades the same size, make them all different, leave spaces... This creates countless variations! Giucy Giuce will share his tips and tricks for best practices when foundation paper piecing and sewing curves.

Don't miss the chance to take this fun workshop!

Level of Difficulty: Intermediate, Foundation Paper Piecing experience recommended but not required

Pattern Fee: \$10/student (includes PDF of Re pattern as well as print outs for class). Bring cash or check to class to pay Giuseppe
