- Finished Quilt 77" x 77"

- Level Strong Beginner and up

Use Jennifer's SKY ombré fabrics or other ombre/ hand dyed/batik fabrics. Add your own prints or solids for a scrappier look. To make the quilt 93" x 93" add more "logs" to each of the 16 blocks. This keeps the secondary star pattern. Factor in an additional 1/4 yard extra of every fabric you bring.

What You'll Learn:

Based on her pattern (C&T Publishing) SKY LOG CABIN, Jennifer teaches the basics of making a precise and stunning Log Cabin Block in a few different ways for all types of learners. Understand her tricks for creating sparkle, glow and contrast while highlighting the power of color and it's placement. Use 16 full range SKY ombrés (or ombrés of your choice) mixed with blenders and basics from your stash. Block layout options and Borders are emphasized in the final stages of class. Note: If you prefer a wonkier looking block- please follow your heart and leave rulers untouched!

Class Material:

- SKY LOG CABIN pattern available at Stitchin' Post website
- Ombré Fabric: Curate half yards of 14-20 full range ombré fabrics (or variegated/blended prints) from whisper light pale warm and cool colors/ creams to intense saturated mid-tones to darkest of blues, blacks, reds, purples, browns and greens.
- Blenders or solids: Curate 15-25 fat quarters prints to work with above fabrics
- Jennifer used her 16 SKY REFLECTIONS HTHI Tower in 1/2 yard cuts and FQ tower of Chalk & Charcoal COORDINATES to create cover quilt. Kit available at JenniferSampou.com.

Quilter's List:

- Rotary cutter with fresh blade
- Quilt rulers 24"x 6" and 12 1/2"x 1 1/2" or your favorite sizes for making 1 1/2" long strips for precision. Omnigrid has a 20 1/2"x 20 1/2" that is really nice for squaring up - but not mandatory

- Working with color inspiration you love can be an important step for success. This comes from all kinds of sources: Do you have a favorite photo? What hues do you want to work with? Is this a gift for a friend? Take the time to ponder this. To be mindful of what you'd like to sew. Make a Pinterest board with favorite Log Cabin Quilts.
