Supply List:

- 6 to 8 fun fat quarters containing dots, marks, or colorful prints and several coordinating or contrasting solids or fabrics that read as solids. I would also throw in a variety of interesting scraps—some that you might want to use as mountains and a small amount of white if you wish to top them with snow.
- Basic sewing supplies such as scissors, threads, pins.
- A sewing machine in good working order with a few decorative stitch features
- Backing fabric
- Batting large enough to fit the front of your finished quilt
- Scissors

Optional:

- Embroidery needle and perle cotton to hand stitch if desired
- White glue stick
- Cutting board and rotary cutter
