

Aluminium Channel Systems

Rennicks channels are designed for use with self-piercing riveting systems. To ensure Road Traffic Signs comply with the clients structural requirements, reference should be made to the Rennicks SignLoad CD and information detailed at the front of this brochure.

	DESCRIPTION	SIZE	CODE
<p>CHANNEL - 'T' SECTION</p> 	<p>Designed to suit all types of fingerpost signs. Used in conjunction with our offset brackets. Small 'T' suitable for signs up to 500mm wide.
