Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. The corrections are shown in red. Also note, there may be more than one revision to a pattern.

We have corrected the pattern information for where to end before shaping the top of the Lace Panel Towel.

Lace Panel Towel:

Repeat Rows 11-26 until piece measures about 9.75" [24.5 cm] from cast on edge, ending after a Row 26.

We apologize for any inconvenience. Patterns are corrected from May, 2019.
