Teddy Bear Pullover & Mitts

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. We have corrected the Pullover Front where the graph is worked in the second column, deleting part of a row of instructions. Please note the **changes** are in red.

Also note, there may be more than one revision to a pattern.

Now keeping patterns correct and working St st (one row k, one row p), over center 26 sts, continue until 8(18, 26) rows have been completed.

Next Row: (*right side*) Work in patterns as set to 2nd M, **work Row 1 of Graph A over next 26 sts, join another ball of MC**, continue in patterns to end.

Pattern has been corrected as of August 11, 2020.
