Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. We have changed Round 5 to include information on joining 2 sole pieces together, to make a double sole before beginning the Top of Boot. Please note the corrections in **red**.

Rnd 5: Holding 2 Soles tog, matching sts and working through both thicknesses, join with sl st in back loops of sts at center of heel, now working in *back loops only*, sc in each rem st around, join in beg sc. (70 sts)

Top of Boot:

We apologize for any inconvenience. Patterns have been corrected from August 14, 2020.
