

No. 96639N

Ragg Wrap

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. The pattern originally called for two sizes of needles, but we only used one size. It is all knit on the size 11 (8.0 mm) needles, and does not require a smaller size needles.

We apologize for any inconvenience. Patterns have been corrected from March 31, 2022.
