Two Tone Poncho

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. We have corrected the pattern information for repeating the rounds in the body. The corrections are shown in **red**.

Also note, there may be more than one revision to a pattern.

The stitch count at the bottom of the first column on Page 2 has changed:

Next Row: (*right side*) Using CC, work in pattern to M,
using 1st ball of MC, cast on 60 sts,
then work in pattern to end -
272(312) sts.

We apologize for any inconvenience. Patterns are corrected from October, 2016.
