

No. 97039N

Crocheted Motif Vest

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. We have corrected the instructions for Row 1 of the Right Front - the stitch count given includes ch-1 spaces. Please note the corrections in red.

Right Front:

Row 1: Ch 2 (from now on, this counts as a dec as it will not be worked into on return rows), dc in next dc, [ch 1, skip next dc, dc in each of next 2 dc] 14(16, 19) times, turn and leave rem sts unworked - 43(49, 58) **sts, including ch-1 sps.**

We apologize for any inconvenience. Patterns are corrected from February 2, 2017.
