## A Day at the Beach

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. The instructions for the White Bathing Suit, page 4, center column, have been changed under TOP SHAPING. The needle size was left off the instructions for the Life Saver. Please note the **new** instructions below.

### **Top Shaping:**

**Rows 1, 3 and 5:** Knit.

**Rows 2 and 4:** Purl.

**Row 6:** Purl across, dec 3 sts across row. (18 sts)

On page 5:

### **Life Saver:**

**Note:** Casting on using a Provisional Cast On (see instructions on last page) will leave the sts 'live' so you can join the Life Saver into a circle without a seam.

Using **smaller needles** and Provisional Cast On, cast on 14 sts. Leave a tail for grafting.

We apologize for any inconvenience. Patterns have been corrected from May 23, 2017.
