Stacked Pumpkin Trio

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. We have changed the numbering for the rows on the **Small** Pumpkin.
Please note the changes in **red**.

Using larger hook and Orange, work Rnds 1-7 as given for Large Pumpkin, but DO NOT join at end of Rnd 7.
Now work in continuous rnds from this point on (do not join at ends of rnds), but PM on first st of next rnd to indicate beg of rnds.
Rnds 8-17: Sc in each sc around,

Patterns are corrected from September 22, 2017.

We apologize for any inconvenience.
