Woodland Slippers

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. The corrections are shown in red. Also note, there may be more than one revision to a pattern.

We have updated an item in the Stitch Guide:

SKP Decrease one st by slipping next st, k1, pass slipped st **over**.

Now shape for the instep as follows:

Next Row: Sl 1, k1, SK2P, k7, SK2P, k1, SK2P, turn.

Next Row: Sl 1, k 11, SK2P, turn.

There are now 13 sts for the sole instead of 17, with **28(22)** sts rem on each side.

We apologize for any inconvenience. Patterns are corrected from September 2019.
