## Lace Entrelac Throw Pattern

Although we make every effort to prevent errors from being published, we regret that they do occur and apologize for any inconvenience this may cause. The instructions for the border have been changed. Please note the **new** instructions below. Also note, there may be more than one revision to a pattern.

Do Not break yarn.#

With right side facing, working across **left** side of Blanket, pick up 14 sts per triangle (about 210 sts).

Slip 4 sts from st holder onto left needle and continue as follows:

[k4, turn, k4] twice, then k3, SKP to come around the corner, now rep from **###** to **#**.

Repeat on bottom edge (requires making extra sts across each triangle to account for the 182 sts), and then along **right** side as for **left** side of Throw.

We apologize for any inconvenience. Patterns have been corrected from October 16, 2014.
