We sincerely hope you enjoy crocheting The Ragg D'Anne Triangle Cowl and beanie. We'd love to see pictures of your work when sharing on Instagram. Please use **#raggdanne** so we can find it. This pattern is specifically designed for the Starlette Ragg yarn; using other types will not achieve the same results.

Notes:

When changing colors, work last st in old color until 2 loops rem on hook, yo with new color and draw through rem loops to finish st. DO NOT cut old color, but carry it on top of previous row and work sts in new color over it unless instructed otherwise. Be sure color not in use lays evenly over sts; at the end of each color change gently tug on the yarn so it lays even and isn't too tight or else your stitches will pucker. If the yarn carried under the worked color is carried too loosely the carried yarn will show through your stitches.

To create this texture we are alternating the dc and sc. Make sure you always sc into a dc and always dc into a sc, until you reach the decreasing rounds

Instructions:

Ribbing

Using CC2 (foundation chain) ch 10

Row 1: Sc in 2nd ch from hook and in each st to the end, turn. (9 sts)

Row 2-64: Ch1, sc in back loop only in same st and in each st to end, turn. (9 sts)

Turn your ribbing and work around the outside edge.

Round 1: Ch 2, sc around the post of the sc in each row, join with a sl st. (64 scs)

We have made every effort to ensure that these instructions are accurate and complete. We cannot be responsible for misinterpretation or errors in individual work. Any corrections that are discovered, will be revised then noted in the blog post.

Last round: {dc3tog} rep 3 times.

Finish your hat with a large pompom. We recommend using the Clover Jumbo sized pom pom maker available at www.marymaxim.com We made our pom pom using Starlette Ragg (MC) and attached it to the hat. We made it more secure by sewing it on using the tails.

Weave in ends.
