

You + I

Brand Presentation

Welcome to You + I

We believe in making products that are the best for ourselves and our customers.

Alan & Kelsey, Founders

Our belief in a world where the more good you put in, the more good you get out results in an unwavering commitment to only use the highest grade of natural and organic ingredients.

We carefully consider our ingredients not only for their flavour but also for their function.

Kombucha

Our kombucha is a sparkling living tea packed with a multitude of vitamins, minerals and organic acids. Fermented with French oak and containing only natural goodness that will make you feel a world of good.

Kombucha Benefits

Our kombucha is rich in antioxidants, amino acids, minerals and vitamins. We never pasteurise which means our kombucha is raw and packed with good bacteria.

Barley Water

Barley water as it should be. Made using real organic pearl barley, perfectly paired botanicals and loaded with essential vitamins and minerals. A contemporary reconstruction of a family favourite.

Barley Water Benefits

High in dietary fiber, barley water helps keep the digestive system healthy. It contains a multitude of vitamins and minerals which can help reduce cholesterol and blood pressure. Due to being high in protein but low in calories, barley water can aid in weight loss as it helps you feel fuller for longer without consuming additional calories.

Lemon Barley Water

Description: Infused with citrusy lemon peel, herby lemon balm and coriander seed. Containing only natural goodness that will make you feel a world of good.

Tasting notes: The smooth and silky mouth feel paired with the softer and varied lemon notes create the sensation of tasting a lemon meringue pie.

Serving Suggestion: Shake and pour over ice. Garnish with a lemon twist.

Details: Organic, natural.

Coconut Caraway Barley Water

Description: Infused with toasted coconut and earthy caraway seeds. Loaded with essential vitamins and minerals.

Tasting notes: Toasted coconut brings a sweet vanilla nuttiness which is accented with the bittersweet anise and citrus of caraway.

Serving Suggestion: Shake and pour over ice.

Details: Organic, natural.

Juniper Buchu Barley Water

Description: Infused with fragrant juniper and fruity buchu leaf. Loaded with essential vitamins and minerals. A contemporary twist on a family favourite.

Tasting notes: Pine and earthy spice from the juniper are complimented by an intense aromatic blackcurrant aroma with a subtle menthol note from the buchu.

Serving Suggestion: Shake and pour over ice. Garnish with a mint sprig.

Details: Organic, natural.
