

BIFOLD SOFABEDS - OPERATE INSTRUCTIONS

Remove all the cushions, pull out and unfold mechanism until completely open and all legs are touching the floor

Always operate from the centre!

1. Remove the seat and back cushions.

2. Lift up the cover that covers the mechanism, then simultaneously lift and pull towards you from the centre of the metal tube until the mechanism legs touches the floor.

3. Pull the centre of the rear bar (that are as well the mechanism's legs) towards you until sofa-bed opens completely.

To Close: PLEASE DO THE REVERSE STEPS FROM ABOVE!
