MORE INFORMATION

- * Reclaimed Teak - Sourced from Timber Yards specialising in the demolition of old buildings. The wood shows all the character and previous usage. The timber is treated to ensure that it is structurally intact while keeping the flaws and character of age.
- * Brushed Teak - The process of brushing removes all of the softer material, effectively buffing the surface and bringing the natural oils to the surface.
- * Sunbrella fabric - High-grade acrylic with high colour fastness, water-resistant, high durability & easy maintenance.
- * Urecel Quick Dry Foam - allows water to drain rapidly and fresh air to circulate freely and continuously.
