## *Signature Red Collection*

This festive season, explore the "Signature Red" collection that includes two exciting new gift boxes.

The collection ranges from boxes that can dress up a single product to gift bags, trays and baskets that allow you to curate your own hamper. The new gift box collection bears Royce's signature "Royal Red" colour and showcases a traditional Japanese design featuring the Sakura flower floating on waves.

Designed to add that sparkle to all your festive celebrations, the "Signature Red" collection offers a timeless luxury gifting selection to choose from.
