Contactless Legal Services becoming more and more popular

Now more than ever, people are conducting professional and personal business remotely. WSIB Settlement's mobile app connects our members directly to their legal representatives. Most services are performed without members ever having to leave the comfort of their homes. Our Preferred Legal Providers Network, which consists of lawyers and paralegals, provides our members with one-on-one legal support to help them with their WSIB claims and other legal needs.

We have created a membership program that provides expert support to handle any issues you may have with your WSIB claim, with a fee program that is both affordable and convenient.

How our fees work

Subscription Membership \$39 per month

Monthly membership subscription fee of \$39, which includes access to our app and all of its tools.

Contingency Fee 15%

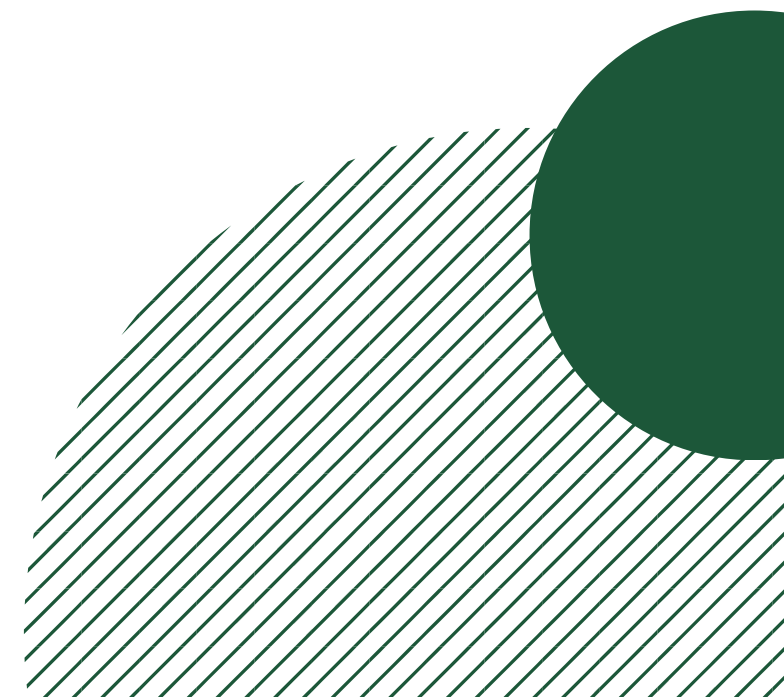

If we settle any unresolved issues in your case without requiring a hearing at the WSIB's Appeals Services Division or the Workplace Safety & Insurance Appeals Tribunal, you pay us 15% of any **arrears** benefits paid in your claim. There is **no fee** on your monthly benefits going forward.

Example: We are able to get the WSIB to pay you LOE benefits. The WSIB pays you \$10,000 in arrears LOE. You pay us \$1,500.00

Split Contingency Fee 20% / 5%

If we determine that it is appropriate to proceed to a hearing with the WSIB Appeals Services Division or the Workplace Safety & Insurance Appeals Tribunal (WSIAT), your case will be referred to one of our Preferred Legal Providers on our PLP Network who will handle your appeal. At that point, the contingency fee is 25% and is split in the following manner.

EXAMPLE: Your appeal concerning Loss of Earnings (LOE) is allowed. The WSIB pays you \$10,000.00 in **arrears**. 25% of the \$10,000.00 is paid in fees (\$2,500.00). You pay the Preferred Legal Provider who handled your appeal \$2000.00 of the \$2500.00, and you pay WSIB Settlements \$500.00.
