DENSE STONE IMPREGNATING SEALER

PREVIOUSLY KNOWN AS STAIN-PROOF™ PLUS

An impregnating, invisible and breathable sealer that protects natural stone countertops from damage caused by water, salts and oil-based stains. Treated countertop surfaces become easier to clean, maintain, and stay looking good for longer. Dense Stone Impregnating Sealer provides lasting protection for natural stone.

BENEFITS

- The next generation sealer, optimized for dense natural stone.
- Permanent premium oil and water repellence. 25-year written performance warranty when applied by a Stain-Proof Accredited Applicator*.
- Three different custom sealing molecules for 3 levels of penetration and maximum stain repellence.
- Penetrates deeply into dense granites and marbles.
- Retains the natural surface color and finish.
- Super breathable: water vapor escapes freely preventing harmful moisture build-up inside the treated material.
- Suitable for indoor, outdoor, residential and commercial use.

*A twenty-five year performance warranty is offered when product is applied by an accredited applicator and surface is maintained regularly, as outlined in our warranty document. Visit our website at www.stain-proof.com to find your nearest accredited applicator.

STAIN-PROOF'S IMPREGNATING SEALERS AND CLEANERS

THE TECHNOLOGY THAT SETS US APART

Stain-Proof® sealers are formulated using a unique sealing technology – our sealer molecules are approximately 400+times smaller than other impregnators and penetrate much further into the pores to form a deeper water and oil repellent barrier, providing optimum protection to surfaces such as natural stone, bricks, pavers, tiles, engineering concrete and grout. **Stain-Proof also offers daily and heavy-duty cleaners specifically formulated to tackle a variety of needs. To choose the perfect care and maintenance solution for your project, visit stain-proof.com.**
